

January 16<sup>th</sup>, 2026, 8:30 am – 3:00 pm

Medfield Police Department

112 North Street, Medfield, MA 02053

## On Target Report Writing

---

***A full day of comprehensive training to improve police report writing skills!***

- Build unshakeable confidence in your report writing skills
- Craft reports that are clear, concise, and accurate
- Withstand the scrutiny of direct and cross-examination in court
- Protect yourself and your department from legal challenges
- Master the essential elements of police report writing that hit the target every time
- Use clear and concise language that leaves no room for misinterpretation
- Write reports that tell a factual story from beginning to end!

---

**This course is taught by experienced law enforcement professionals who have years of experience in writing and defending police reports. You will learn from the best of the best and gain the skills and knowledge you need to write reports that will stand up in court.**
